

Becoming a supplier.

STEP 1

Complete the [Supplier Information form](#) to create your company profile and join our supplier database. Your company profile is valid in our database for one year.

STEP 2

When a procurement opportunity arises, our sourcing teams will search the supplier database to identify the companies that match the bid criteria.

STEP 3

If your company's capabilities match the bid criteria, a member of our team will contact you.

STEP 4

If your company provides a service at one of our sites, you will receive an invitation to complete the qualification process via Avetta. Not familiar with Avetta? [Click here](#) to learn more.

Direct registration via the Avetta website will not initiate the qualification process with Crown Castle.

STEP 5

Once the onboarding process is complete, you will receive your Supplier Welcome package.
