CROWN CASTLE COMMERCIAL WEBSITE PRIVACY STATEMENT

1. Introduction

Crown Castle International Corp., its subsidiaries and affiliated entities (collectively, "Crown Castle", “us”, “our” or "we") respect your privacy and are committed to protecting it through our compliance with this Privacy Statement (hereinafter, “Statement”).

This Statement describes the types of information we may collect from you or that you may provide when you access and use this website and related online applications, materials and resources (collectively, the "Website") and our practices for collecting, using, maintaining, protecting and disclosing that information.

This Statement applies to information we may collect:

- on this Website;
- in e-mail, text and other electronic messages between you and this Website;
- through mobile and desktop applications you download from this Website, which provide dedicated non-browser-based interaction between you and this Website; or
- when you interact with our advertising and applications on third-party websites and services, if those applications or advertising include links to this Statement.

This Statement does not apply to information collected:

- by us offline or through any other means, including on any other website operated by any third party; or
- by any third party, including through any application or content (including advertising) that may link to or be accessible from or on the Website.

Please read this Statement carefully to understand our practices regarding your information and how we will treat it. If you do not agree with our practices, your choice is to not use our Website. By accessing or using this Website, you agree to this Statement. This Statement may change from time to time (see Section 16 below). Your continued use of this Website after we make changes is deemed to be acceptance of those changes, so please check the Statement periodically for updates. If you do not agree with any of these terms, please do not use the Website or submit any Personal Information (as defined below).

2. What information do we collect?

We may collect several types of information from and about the users of our Website, including:

- information by which you may be personally identified, such as name, postal address, e-mail address, telephone number, and any other information the Website collects that is defined as personal information or personally identifiable information under applicable law ("Personal Information");
- information that is about you but individually does not identify you, such as profession, occupation or job title;
- information about your internet connection, the equipment you use to access our Website and usage details;
- details relating to the engagements or business relationship you have with us or which may be proposed, or which you have inquired about, together with any additional information necessary to engage with you, including responding to your inquiries;
• records and copies of your correspondence (including email addresses), if you contact us;
• information you provide to us through our services, customers surveys or our representatives from time to time;
• any additional information relating to you that you provide to us directly or indirectly through use of our Website or online presence, through our representatives or otherwise; and
• other types of information referred to elsewhere in this Statement.

We may collect information:

• directly from you when you provide it to us, for example, when you request information from us, request an agreement regarding a wireless communications site, download material or correspond with us;
• from third parties such as your authorized agent or representatives of your company or via third-party databases;
• from referrals from other individuals or companies;
• from other third parties, for example, our business partners; and
• from publicly available sources of information.

In certain instances, we may link or combine Personal Information, non-Personal Information and information you provide us through other sources (for example, at a trade show or seminar) in connection with the use of such information.

3. How do we use cookies and other automatic data collection technologies?

Like many other commercial websites, this Website uses a standard technology called "cookies", which can be used to provide you with tailored information from a website. A cookie is a small text file that is sent from a website to your browser, which may then be stored on your system if you have enabled "cookies" in your browser settings. Some portions of the Website may use cookies to enhance your online experience, enabling personalized responses, customized information and other features to better serve you. Unless you have adjusted your browser settings so that it will refuse cookies, our system will issue cookies when you direct your browser to our Website. You can set most browsers to notify you when you receive a cookie from a website, giving you the chance to decide whether to accept it. This approach gives you control over the depth and type of online experience and level of privacy that you desire. However, if you decide to limit or disable cookies, your ability to interact with and/or receive the full functions of the Website and the services provided through the Website may be compromised.

As you navigate through and interact with our Website, we may use automatic data collection technologies to collect certain information about your equipment, browsing actions and patterns, including:

• details of your visits to our Website, including traffic data, location data, logs and other communication data and the resources that you access and use on the Website; and
• information about your computer and internet connection, including your IP address, operating system and browser type.

The information we collect automatically does not include Personal Information.

We may use third-party web analytics services on our Website, such as those of Google Analytics. These service providers use cookies and web beacons to help us analyze how users use the Website. The information collected by the cookies and web beacons will be disclosed to these service providers, who use the information to evaluate your use of the Website. Google Analytics transmits website usage data to Google servers. Google Analytics does not identify individual users or associate your IP address with any other
data held by Google. We use reports provided by Google Analytics to help us understand website traffic and usage of the Websites. To find out more about Google Analytics use of data, please visit "How Google uses data when you use our partners’sites or apps", located at https://www.google.com/policies/privacy/partners/ for more information. For information about how Google uses the information, see the Google Privacy Policy. To learn about opting out of Google Analytics, you may visit http://tools.google.com/dlpage/gaoptout.

The Website permits data collection for internet-based advertising. Crown Castle and third-party vendors, including Google, use cookies to inform, optimize, and serve ads based on past visits to our Website. More specifically, our Website has implemented and used display advertising, and we utilize Google Analytics to implement a specific feature called remarketing. Remarketing is a feature of Google Ads that allows us to optimize the delivery of ad content specifically targeted to a visitor’s interests based upon previous visits to our site. Please visit https://support.google.com/analytics/answer/2611268 for more information about remarketing lists in Google Analytics.

If you do not want to use the remarketing feature from Google, you can disable it by changing the appropriate settings at http://www.google.com/settings/ads.

There is also a Google Analytics opt-out browser add on that you can download at https://tools.google.com/dlpage/gaoptout/.

4. How we may use your information

We may use the non-Personal information we may collect and any Personal Information that you provide to us:

- to verify your identity;
- to present our Website and its contents to you;
- to pre-fill online forms;
- to allow you to participate in interactive features on our Website;
- to notify you about changes to our Website or any products or services we offer or provide through it;
- to provide you with information, products or services that you request from us;
- to communicate with you in the normal course of business dealings;
- to communicate and negotiate with you in relation to your property, or other agreements or assets;
- to assist you to receive or subscribe to our services;
- to carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection;
- to provide you with notices about your account, including expiration and renewal notices;
- to send you marketing and sales information or to contact you regarding product research;
- to send announcements, newsletters and updates regarding our business, products, services, special offers and other promotional information;
- to maintain the smooth operation of our business, such as for billing, account maintenance and recordkeeping;
- to assist us with any internal investigations in relation to protection against fraud or unlawful activities or activities that have a potential to breach Crown Castle’s policies;
- as we deem necessary or appropriate to protect the rights, property, safety and personnel of Crown Castle and others;
- as required by law;
- in any other way we may describe when you provide the information;
- to fulfill any other purpose for which you provide the information; and
• for any other purpose with your consent.

We may use your information to contact you about products and services that may be of interest to you. If you do not want us to use your information in this way, please see Section 6 below.

5. Disclosure of Personal Information

We may disclose aggregated information about our users, and information that does not identify any individual, without restriction.

We may disclose Personal Information that you provide as described in this Statement:

• to our subsidiaries and affiliates;
• to contractors, service providers and other third parties we use to support our business, including, but not limited to third parties that provide advertising services on our behalf;
• to a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution or othersale or transfer of some or all of our assets, whether as a going concern or as part of bankruptcy, liquidation or similar proceeding, in which Personal Information held by us about our Website users is among the assets transferred;
• to third parties to market their products or services to you by delivering marketing communications, promotional materials, and/or advertisements;
• to fulfill the purpose for which you provide it;
• for any other purpose disclosed by us when you provide the information; or
• with your consent.

We may also disclose your Personal Information:

• to comply with any court order, law or legal process, including to respond to any government or regulatory request;
• to enforce or apply our terms of use and other agreements, including for billing and collection purposes; or
• if we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Crown Castle, our customers or others, including, for example, exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

6. Your choices regarding Personal Information you provide to us

We strive to provide you with choices regarding the Personal Information you provide to us. We have created mechanisms to provide you with the following control over your information:

• Cookies. You can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent. To learn how you can manage your Flash cookie settings, visit the Flash player settings page on Adobe’s website. If you disable or refuse cookies, please note that some parts of this site may then be inaccessible or not function properly.

• Customer Proprietary Network Information (“CPNI”). CPNI is information that relates to the type, quantity, destination, technical configuration, location, amount of use and related billing information of your telecommunications services. We may share your CPNI within Crown Castle or with trusted partners to provide you with information about our products and services, or to provide, restore or repair service to you. You can limit the sharing of your CPNI if you do not want us to use it to market services to you that are different than those you are currently receiving. Federal law governs our use and sharing of CPNI. For more information regarding CPNI, please contact CrownCastleCompliance@crowncastle.com for a copy of our CPNI Policy and Procedure.
7. Accessing and Correcting Your Personal Information

While Crown Castle seeks to ensure that information is collected and maintained accurately, inaccuracies may occur. Should you find incorrect Personal Information or wish to update your Personal Information, you may make changes online by logging into the Website and visiting your account profile page or you may notify Crown Castle in writing at CrownCastleCompliance@crowncastle.com. We may not accommodate a request to change information if we believe the change would violate any law or legal requirement or cause the information to be incorrect. In some cases, we cannot delete your Personal Information except by also deleting your user account.

Crown Castle shall not knowingly collect information from children under the age of 13. If you become aware that your child or any child under your care has provided us with information without your consent, please contact us in writing at CrownCastleCompliance@crowncastle.com.

8. Security of Your Personal Information

Crown Castle has implemented measures to secure your Personal Information from accidental loss and from unauthorized access, use, alteration and disclosure. These measures may include the use of certain technology to encrypt Personal Information. Crown Castle generally stores Personal Information on servers that are protected by firewalls.

The safety and security of your information also depends on you. Where we have given you (or where you have chosen) a password for access to certain parts of our Website, you are responsible for keeping this password confidential. We ask you not to share your password with anyone. We urge you to be careful about giving out information in publicly accessible areas like message boards. The information you share in public areas may be viewed by any user.

Unfortunately, the transmission of information via the internet is not completely secure. Although we do our best to protect your Personal Information, we cannot guarantee the security of your Personal Information transmitted to our Website. Any transmission of Personal Information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures contained on the Website.

9. Facebook Lead Ads

Crown Castle occasionally runs lead ads on www.facebook.com, and follows Facebook's Lead Ad Terms https://www.facebook.com/ads/leadgen/tos. Should a Facebook user click one of our ads and choose to submit their data to us (including, but not limited to, Personal Information), the user has willingly and expressively given us the right to contact them via phone and/or email, even if they are subscribed on the Do Not Call List. Participation in these Face Lead Ads and the forms generated by them are voluntary and you may choose whether or not to disclose information via this format. If you submit data (including, but not limited to, Personal Information) to us through one of our Facebook Lead Ads, such data will be governed by this Statement. Notwithstanding anything to the contrary contained herein, we will not sell Facebook Lead Ad Data under any circumstances.

10. If You Are a Registered User

If you are a user accessing CCI sites™ (a platform for our customers to research and access information regarding our sites), we may ask you to register and/or provide information that personally identifies you for the purposes of interacting with CCI sites. If you choose not to disclose and registry our Personal Information, you may not be able to use CCI sites effectively and may choose to research our facilities in an alternate manner, such as by contacting us via telephone.

If you contact us via telephone, you may also be asked to verify your identity for security reasons. Should you choose not to provide your Personal Information for verification, Crown Castle may not be able to assist you with your query.
11. If you are a property owner

If you are a property owner who wishes to obtain further information about Crown Castle’s operations or opportunities to transact with Crown Castle, you may submit your Personal Information through our Website or contact us directly by e-mail, mail or telephone to speak to a Crown Castle representative. Our ability to respond to your queries will depend on you disclosing Personal Information such as your name, return address, e-mail address or telephone number and details relating to your property.

Crown Castle may also use Personal Information obtained via a third party to contact you directly regarding the possibility of entering into an arrangement relating to your property. If you do not wish for your Personal Information to be used in this manner, please let us know and we will refrain from doing so.

12. If you are a member of the public

If you are a member of the public seeking to learn more about Crown Castle’s business and operations, you may submit your Personal Information through our Website via our “Contact Us” section. We collect your Personal Information to identify you and to revert to you with respect to any queries you may have or to provide you with any information you may seek. Should you choose not to provide us with your Personal Information for verification, Crown Castle may not be able to assist you with your query.

13. If you contact us with regard to employment opportunities

Crown Castle will from time to time advertise employment opportunities via publicly available websites and through employment agencies. In order to apply for employment at Crown Castle, you will be required to provide your Personal Information so we can verify your identity and suitability for employment. We may store your Personal Information in our system and contact you at a later date for future employment opportunities.

14. Service announcements

From time to time, Crown Castle may send out service-related announcements. For instance, if your service is temporarily suspended for maintenance, Crown Castle may send our customers and property owners an e-mail notification.

15. California residents

Employees

Crown Castle processes the personal information of employees who are residents of California (CA). We are committed to protecting the privacy and security of your personal information. This privacy statement describes how we collect and use personal information about you during and after your working relationship with us. It applies to all employees who are also CA residents. We are responsible for deciding how we hold and use personal information about you. We are required under the California Consumer Privacy Act (“CCPA”), as amended, effective January 1, 2020, to provide you with notice at the time of collection.

Data Protection Principles: We will comply with applicable data protection law. This says that the personal information we hold about you must be: (i) used lawfully, fairly and in a transparent way; (ii) collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes; (iii) relevant to the purposes we have told you about and limited only to those purposes; (iv) accurate and kept up to date; (v) kept only as long as necessary for the purposes we have told you about; and (vi) kept securely.

What Personal Information is Collected and How it is Used: For job applicants, please refer to Crown Castle’s PRIVACY NOTICE TO CALIFORNIA JOB APPLICANTS REGARDING THE COLLECTION OF PERSONAL INFORMATION for what information we collect about job applicants and how we use and disclose it.
For employees and former employees, please refer to Crown Castle’s PRIVACY NOTICE TO CALIFORNIA EMPLOYEES REGARDING THE COLLECTION OF PERSONAL INFORMATION for what information we collect about employees and former employees and how we use and disclose it.

Additional copies of either notice may be requested by contacting us at CrownCastleCompliance@crowncastle.com.

Failure to Provide Personal Information: If you fail to provide certain information when requested, we may not be able to address our employment or contract obligations (such as paying you or providing a benefit), or we may be prevented from complying with our legal obligations (such as to ensure the health and safety of our workers).

Change of Purpose: We will only use your personal information for the purposes we have disclosed in our notice(s). If we need to use your personal information for an unrelated purpose, we will notify you. Please note that we may process your personal information without your knowledge or consent, in compliance with the above rules, where this is required or permitted by law.

Consumers

Notice of Categories of Personal Information We Collect and How We Use It

In addition to the information listed above under the heading “What information do we collect?” the following describes categories of Personal Information we may collect and how we would use it:

- Personal contact information such as name, address, telephone number and email address. We may obtain this information from (1) you when you use our website and social media platforms or otherwise communicate with us; (2) publicly available databases; (3) joint marketing partners and event sponsors, when they share the information with us; and (4) referral sources. We use and share your personal contact information with trusted services providers to promote and provide our products and services to you and to communicate with you. We do not share this information with third parties who sell or use the information for their own purposes.

- Information necessary to provide our products and services to you such as order information and payment, credit, and transaction information for billing purposes. We obtain this information from you and use and share it with trusted service providers to provide our products and services to you and manage our relationship with you. We do not share this information with third parties who sell or use the information for their own purposes.

- Commercial information including products or services purchased, obtained or considered; and other purchase histories or tendencies. We obtain this information from you and use and share it with trusted service providers to promote and provide our products and services to you and to manage our relationship with you. We do not share this information with third parties who sell or use the information for their own purposes.

- Internet and other electronic network and app activity information such as browsing history, search history, IP address, and information regarding your interaction with an internet website, application or advertisement. We obtain this information from you and through the use of website or app cookies and web beacons.

Change of Purpose: We will only use your personal information for the purposes we have disclosed in our notice(s). If we need to use your personal information for an unrelated purpose, we will notify you. Please note that we may process your personal information without your knowledge or consent, in compliance with the above rules, where this is required or permitted by law.

Data Security: While no data security system can fully protect personal information from unauthorized data breaches, Crown Castle has implemented reasonable safeguards and controls, consistent with its legal obligations under CA and other local, state and federal laws. Crown Castle is committed to: (i) seeking to safeguard all personal information that you provide to us; (ii) seeking to ensure that it
remains confidential and secure; and (iii) taking all reasonable steps to ensure that personal privacy is respected. All our data is stored in written or electronic form on our servers and computers and in various physical locations. We maintain physical, electronic and procedural safeguards to protect your personal information from misuse, unauthorized access or disclosure and loss or corruption by computer viruses and other sources of harm. We restrict access to personal information to those staff members, Crown Castle and third parties who need to know that information for the purposes identified in our notice(s).

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

**Data Retention:** We will only retain your personal information for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements. To determine the appropriate retention period for personal information, we consider the amount, nature, and sensitivity of the personal information, the potential risk of harm from unauthorized use or disclosure of our personal information, the purposes for which we process your personal information and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances we may anonymise your personal information so that it can no longer be associated with you, in which case we may use such information without further notice to you. Once you are no longer an employee of Crown Castle, we will retain and securely destroy your personal information in accordance with Crown Castle’s record retention policies.

**Right to Know About Personal Information Collected, Disclosed or Sold**

You have the right to know about the Personal Information we have collected or disclosed about you during the prior 12 months. Specifically, you have a right to know:

- The specific pieces of Personal Information we have collected about you, and
- The categories of personal information we have collected about you, and your household including the categories of sources from which your Personal Information was collected, business or commercial purposes for which your Personal Information was collected, the categories of third parties to whom we disclosed the categories of Personal Information for a business purpose, and the business or commercial purpose for disclosing your personal information to a third party.
- To ensure that the request is coming from you and to protect the security of your Personal Information, we will require that you provide us with 2 out of the following 3 data points to verify your identity if you are requesting access to the categories of Personal Information we collect: (1) email address (2) telephone number, or (3) description of the product or service you purchased or inquired about. If you are requesting to obtain specific pieces of Personal Information, you must provide us with 2 out of the 3 data points described plus a signed declaration under penalty of perjury from you that you are the consumer whose Personal Information is subject to the request. Such a declaration will be provided to you upon request. If you are requesting to obtain specific pieces of Personal Information regarding your household, each member of your household must provide the verification information above in order for us to verify their identities.

If you use an authorized agent to exercise your right to know about your Personal Information, we will verify the identity or your authorized agent by requiring your authorized agent to provide us with either (1) your power of attorney authorizing the authorized agent to act on your behalf or (2) your written authorization permitting the authorized agent to request access to your Personal Information on your behalf together with the identity verification information for you described above depending upon whether the authorized agent is requesting the categories of Personal Information about you or specific pieces of Personal Information about you.

Within 10 days of receiving your request to know, we will confirm receipt of your request and provide information about how we will process your request, including a description of our process to verify your
identity and when you should expect our response. Generally, we will respond to your request within 45 days and provide you the requested Personal Information by mail or a readily usable electronic format. Under certain circumstances, we may take up to 90 days to respond to your request. In these circumstances, we will provide you with notice and an explanation of the reason we will take more than 45 days to respond to your request.

If you are requesting to obtain specific pieces of your Personal Information and we are unable to verify your identity, we will deny your request and inform you that we cannot verify your identity and explain why we have no reasonable method with which we can identify you. However, we will treat your request as a request to obtain the categories of Personal Information we collect, disclose and/or sell as described below.

If you are requesting to obtain the categories of Personal Information we collect, disclose or sell, and we are unable to verify your identity, we will deny your request, inform you that we cannot verify your identity, and direct you to our Privacy Policy which describes our general business practices regarding the collection, maintenance and sale of Personal Information. We will also explain why we have no reasonable method with which we can identify you.

By law, we can deny your request to know specific pieces of your Personal Information, in whole or in part, if it conflicts with federal or state law. If we deny your request for these reasons, we will notify you that your request has been denied and explain the reasons for the denial. If your request in denied only in part, we will disclose the reminder of the Personal Information you requested.

By law, we cannot provide you with specific pieces of your Personal Information if the disclosure creates a substantial, articulable, and unreasonable risk to the security of your Personal Information. Additionally, we are prohibited by law from disclosing to you your Social Security number, driver's license number or other government-issued identification number, financial account information, any health insurance or medical identification number, an account password, or security questions and answers.

Notice of Your Right to Request Deletion of Your Personal Information

You have the right to request us to delete the Personal Information that we have collected or maintained about you and your household. You may request to delete the Personal Information we collect, disclose and/or sell by contacting us at CrownCastleCompliance@crowncastle.com and submitting a verifiable written request to us or by calling us at 1-877-486-9377. To ensure that the request is coming from you and to protect the security of your Personal Information, we require that you provide us with 2 out of the following 3 data points to verify your identity if you are requesting access to the categories of Personal Information we collect: (1) email address (2) telephone number, or (3) description of the product or service you purchased or inquired about.

If you are requesting to delete sensitive information, you must provide us with us with all 3 of the following data points described above to verify your identity.

If you use an authorized agent to exercise your right to delete your Personal Information, we will verify the identity of your authorized agent by requiring your authorized agent to provide us with either (1) your power of attorney authorizing the authorized agent to act on your behalf or (2) your written authorization permitting the authorized agent to request access to your Personal Information on your behalf together with the identity verification information for you described above depending upon whether the authorized agent is requesting the categories of Personal Information about you or specific pieces of Personal Information about you.

Within 10 days of receiving your request to delete, we will confirm receipt of your request and provide information about how we will process your request, including a description of our process to verify your identity and when you should expect our response. Generally, we will respond to your request within 45 days. Under certain circumstances, we may take up to 90 days to respond to your request. In these circumstances, we will provide you with notice and an explanation of the reason we will take more than 45 days to respond to your request.

If we are able to verify your identity, we will delete your Personal Information by one of the following
deletion methods and will notify you of the deletion method used:

- Permanently and completely erasing the Personal Information on our existing systems except our archived or back-up systems;
- De-identifying the Personal Information; or
- Aggregating the Personal Information.

We may offer you the option to delete a select portion of the Personal Information you requested to be deleted in addition to the option to delete all of the Personal Information you requested to be deleted.

Prior to deleting your Personal Information, we will send you an email or call you to confirm that you want your Personal Information deleted.

If your Personal Information is stored on or archived or back-up systems, we will delete the Personal Information as described above when our archived or back-up system is next accessed or used.

We will also direct our service providers to whom we have provided your Personal Information to delete your Personal Information.

If we are unable to verify your identity, we will deny your request and inform you that we cannot verify your identify.

By law, we may also deny your request to delete if retention of your Personal Information is necessary to:

- Complete our transaction with you, perform a contract with you or if your Personal Information is reasonably anticipated within the context of our ongoing business relationship with you,
- Detect security incidents, protect against malicious, deceptive, or illegal activity or prosecute those responsible for this activity;
- Debug to identify and repair errors that impair existing intended functionality of our systems;
- Exercise free speech rights;
- Comply with the California Electronic Communications Privacy Act;
- Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest;
- Enable solely internal uses that are reasonably aligned with your expectations;
- Comply with a legal obligation; or
- Otherwise use your Personal Information internally in a lawful manner that is compatible with the context in which you provided the information.

If we deny your request to delete, we will:

- Inform you that we have denied your request and describe the basis for the denial including any legal exception permitting denial;
- Delete any Personal Information that is not subject to the legal exception above; and
- Refrain from using the Personal Information retained for any other purpose than provided for by that exception.
In responding to your request to delete, we will maintain a record of your request for the legally required period of 24 months.

16. **Notice to overseas users**

Your Personal Information may be stored on our servers in the United States of America.
