
Welcome and Instructions

Thank you for your interest in becoming a Crown Castle Qualified Contractor. The following information will guide you through the next steps.

Do you have a Crown Castle Sponsor?

If you are currently in discussions with a Crown Castle Employee about becoming a Qualified Contractor to provide services directly to Crown Castle, **STOP HERE**. The employee must follow internal procedures to sponsor your company.

The quickest way to begin the qualification process is to have a Crown Castle Employee sponsor your company. However, if you do not have a sponsor for your company, please complete the New Contractor Information Form, attach your Workers Compensation Experience Modification Rating Worksheet and email them to NewVendors@crowncastle.com. Your information will then be forwarded to your local Crown Castle Office.

We have provided insurance requirements and sample agreements on the website for your review. They are not required at this time.

Do you have questions?
